Prayer and Praise:

- Thank you for **praying** for the youth conference. God worked in a special way! (Pictures on the back.)
- Please **pray** for our one-day Christmas conference — Sunday the 25th of December.
- Please continue to **pray** for revival!
- **Praise** God for His protection! Recently when Glenn was coming back from a meeting at night, one of the roads to our village was blocked by a truck. God helped him to turn around quickly and get away without any incident. Remember our safety in your **prayers**!

Pastors' Retreat 2011

In our last newsletter we asked you to pray for and contribute towards a pastors' retreat in October. The retreat was a tremendous blessing to all of us. Dr. McElwain's lectures on "Holiness in the Bible" were a great encouragement. Two pastors reported that they were on the verge of leaving the ministry, but God helped them through this retreat. Others are still expressing their appreciation to God and HIM for this special weekend of being together and being refreshed.

Thank you so much for helping!

Bible School Practicals

The tract ministry team. Not all the students could attend because of work and other ministry responsibilities.

On the last weekend of November the Bible School students held a special weekend tent revival at Ha Matala for part of their practicum.

'Me Matankiso

Pastor Pitso Thaisi preached very well in the morning devotions.

Because You Prayed ...

A kind donor gave so that HIM could purchase this minivan for our use.

Above: The youth conference was blessed by God's presence. Many young people came forward to seek the Lord at the end of the service.

Left: We were able to purchase a building for a church and move this modular tin church on to another village where the congregation was meeting in a small house.

Kaitlyn & Kristell's Korner

I love swinging—especially when Ausi Kekeletso pushes me on the “big-girl” swing!

Hlohonolofatso comes to play with me sometimes. She is nine months younger than I am. Every day I get bigger. Right now I am learning about shapes, colors, numbers, and letters. I like doing “school”!

Several times in October and November I visited Thabiso's preschool. Then on December 3, I went to his graduation. That was fun! I turned 6 in November. Some of my friends were there to help eat the sheep cake.

We thank God for each one of you. May you have a blessed Christmas!
