## Bibles for the Nations

I once met a man in Zambia (right) who, when he was still in highschool, had to borrow a Bible to have his devotions. After school on Fridays he would walk across town to borrow a Bible from his pastor and read until the wee hours of the morning by candle light. Early Saturday morning the precious Book had to be returned to its owner. Such scarcity of God's Word is hard to fathom in America where most people have several Bibles, but it is a reality in many parts of Africa.

Each year Hope International Missions distributes Bibles in these areas. We subsidize the Bibles and sell them at a price people can afford. Since this project

started, we have taken around 120,000 Bibles into remote parts of Africa. We have also distributed hundreds of thousands of tracts, preached in quite a few churches, and held Bible studies around the campfire at night. Many lives have been touched by God's powerful Word!

**By the time you get this newsletter, our family will be in Chipata, Zambia selling Chichewa Bibles. We need your prayers!**

- Please pray for safety on this long journey. African roads are treacherous, and our vehicles aren't new.
- Pray that each Bible we sell will transform lives.
- Pray that God will give us wisdom to recognize hungry hearts who don't have enough money to pay for a Bible.

For more information about this trip, please read our blog at <http://gaultsinlesotho.blogspot.com>. There is a nice map of Zambia and more pictures there. Would you also please consider contributing to this journey by clicking the DONATE button in the side bar of our blog?

## Kaitlyn and Kristell's Korner

Enjoying Uncle Jim Howard's "laptop with one button"! (Ipad)

I had an early birthday party last week. I'm going to turn 4 in Zambia and I hope Mommy will tell the "cookers" to make me a cake!

Art time!

I'm so happy I finished 2nd grade in June!

Your prayers and gifts are a daily source of encouragement to us!
