## Prayer and Praise:

- **Praise** the Lord for providing for the expenses we anticipate as we legally secure properties for HIM in Lesotho.
- Please **pray** for Erika Fisher, and Danae Fenstermaker. They are missions students from Penn View Bible Institute who will be doing internships with us in July and August.
- **Praise** the Lord for the ministry opportunities that have opened up to the Motovilov family in South Africa. We are especially excited about their ministry to children and adults in the Mauersnek area.
- **Pray** for the prayer request in bold face in the article to the right.

## February-May 2016

We are deeply grateful to God and each one of you who gave so sacrificially towards securing the future of HIM's properties in Lesotho! The money that was given was more than we anticipate needing! The surplus will be used to start an egg project

that will finance the expansion of God's Kingdom in new places in Lesotho. We want to thank everyone for their gracious hospitality while Pastor Kali and I were in America.

Just to quickly update you on the process to secure these properties, I providentially met a police officer who was aware of the problem with these properties. He offered us some advice on how to proceed with a permanent settlement. **Please pray for us as we evaluate his suggestion and begin this process.** Especially pray that all will be done to God's glory!

Samaritan's Purse once again supported our Matukeng congregation with Operation Christmas Child shoebox gifts. 'Me 'Mantseke worked hard to register the children who didn't receive boxes last year, and the event was a success again. Now she and Stephanie are presenting the Gospel and discipling the older children using the *Greatest Journey* workbook. **Please pray that these forty children will attend faithfully for the full twelve-week course!**

The last few months have been a time of spiritual growth in several of our congregations. A number of young people are pursuing a deeper life with Jesus and seeking holy hearts. **Please pray that they will not stop short of full to surrender to the Lordship of Christ.** Pray for us as we mentor them.

This past month has been a very special month for our family! Glenn's parents and a family friend, Miriam Miller, came for a visit. Sis. Miller's sister, Sharon Palmer (missionary with African Outreach Ministries in Malawi) came to Lesotho to

spend time with her sister while she was in Africa, too. We had a wonderful time together that included some much-needed time away from ministry. We went to the Indian Ocean and visited a game preserve on the way back to the airport. Of course Nana and Pa-pap enjoyed getting to know Caleb. He got really attached to them, too!

## Africa Region Director

Jim and Fredde Howard have been an important part of our lives and ministry for the last eighteen years. Mr. Howard was the head of the Missions Department at Hobe Sound Bible College when we were there as students. He

has also served as HIM's Africa Regional Director, making at least one visit a year to Lesotho and South Africa since we came in 2000. Together they have mentored us, cared for us, and gradually pushed us into leadership. This April President Sidney Grant and

Mr. Howard passed the torch of Africa regional leadership on to Glenn. We would appreciate your prayers as we assume this new leadership role!

Mr. & Mrs. Howard, we deeply appreciate your excellent leadership in the Africa Region! Thank you for your sacrificial investment in our lives and your love for our family. You remain our dear friends and trusted advisors. Thank you for your continued prayers. We love you!

The Howards were recognized in May for serving HIM-Africa twenty-seven years.

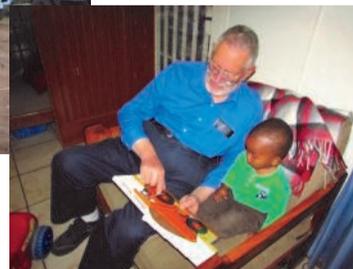

## The Kids' Korner

Nana Gault helped me with school (above). We enjoyed decorating Easter eggs with the Motovilovs (right).

I've been helping Mama with the Sunday School classes at Matukeng (left). Kristell and Thabiso buried me in fallen leaves (below).

I've lived with Daddy and Mama for a year on the 28th of April. We had a big celebration with missionary friends from MAF, Beautiful Gate (the home where I lived before I came to my "Forever Home,") and HIM. I really enjoyed Papp Gault reading books to me.

**Your financial support and prayers are essential to building God's Kingdom! Thank you!**
