HIM Africa Report

Since becoming director of HIM Africa, the scope of our ministry has moved beyond the borders of Lesotho. We would like to update you on the big picture of what Hope International Missions is doing in Africa. Please take a moment to pray for the bold-face prayer requests as you read!

The Marais' had a real struggle getting Bibles this year for the annual Bible distribution trip. The Bible Societies in Southern Africa are struggling financially and have very little stock of Bibles. They finally got English Bibles in South Africa, and friends of the mission trucked them all the way to Zambia. They just finished distributing them today and have started the long journey home. **Please pray for the Bible Societies of Southern Africa.**

The Motovilov Family

The Motovilovs went with the Marais' to assist with the Bible trip. They are already back, and you can read their report by going to <http://feaministries.org/missions/missionaries/africa/motovilov/>. Their children's ministry in Mauersnek and Manyatseng is also growing. **Pray that the children they are reaching will begin attending church on Sundays.**

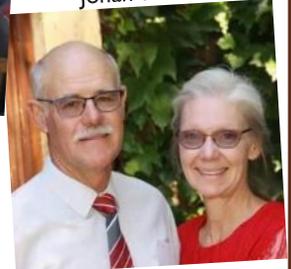

Children at Mauersnek

Johan and Hessie van der Merwe continue mentoring pastors and Christian workers at Hobhouse and Manyatseng. **Please pray for revival at Manyatseng!** They are also exploring the option of planting a church in the large city of Bloemfontein. A house church has already been started there.

Erika & Danae

We had the privilege of hosting Erika Fenstermaker and Danae Fisher, interns from Penn View Bible Institute, in July and August. Erika divided her time between us and the KwaSizabantu Mission school near Welkom in South Africa, but Danae spent the full six weeks with us. They helped with evangelism, children's ministry, preaching, and Bible studies. They were a blessing and encouragement to us and the church!

Matukeng Health Centre, the clinic where we live, has been going through some tough financial times. The government of Lesotho has not fulfilled its financial commitment so that we can provide free health care. **Please pray that the government will reconsider the budget before the end of the year!**

Family News

A dream came true for our family this June. Glenn's brother Wesley and his family came to visit us! Besides being able to accompany us in our normal ministry routine, they enjoyed some sightseeing in Lesotho and South Africa with us. It was a very special time for all of us!

Stephanie has started a Bible club for girls ten years and older here at Matukeng. Nearly a third of teenage girls in Lesotho are HIV+, so it is vital to reach them with the Gospel before they hit these difficult years. She started out with only three or four girls, but the last few weeks attendance has been much better.

Pray that these girls will understand God's love for them and follow His plan for their lives.

My (Glenn's) focus is shifting more to developing and leading HIM Africa as a whole. Please **pray that God will give me clear vision** for what He wants HIM to accomplish in this part of the world. Also **pray for the church leaders in Lesotho** as they will need to pick up some of my present responsibilities so that I will have more time to focus on leadership.

The Kids' Korner

I had SO much fun when my cousins were here! In August I started sixth grade using Abeka DVDs. I'm also taking piano lessons.

Cousins are great! We did lots of fun things. I'm in second grade now and really enjoy the DVDs. I'm taking violin lessons at Ladybird Music Academy in Ladybrand.

Quality time with Uncle Wes, Aunt Sara, and my cousins!
I loved every minute of it!

Thank you for supporting us and praying for us!
